

Launch 3 Tower Services is looking for qualified Subcontractors

Launch 3 Tower Services is looking for new qualified Sub-contractors who represent the core values of safety, and quality.

Launch 3 Tower Services has built a sound reputation that allows continued growth in the industry to new and developing projects, allowing us to continue supporting existing and emerging technologies. Launch 3 Tower Services is looking for Sub-contractors specializing in the following:

- 4G/LTE
- Microwave
- DAS
- Small Cell
- Tower Structural Modifications
- New Site Builds

Our goal is to develop partnerships that allow us to provide quality service to the wireless industry. In order for this to be successful, our relationships are predicated on transparency and trust.
